In its simplest form, our tree of LIFE enables us all to understand that everything we do is rooted in our Church of England status and biblical teaching. The soil represents the word of God in which our school vision is rooted and grows. From that our sense of self is developed through the strengthening trunk, which represents our spirituality statement of 'Encouraging who you are and what makes you unique as a child of God.' When we understand how to support each other to grow spiritually, we create strong relationships across our whole school community. This enables us to live out our Core Christian values of respect, perseverance, friendship and forgiveness as well as our 3Bs. The 3bs of; 'be respectful of everyone and everything'; 'be kind and loving'; 'be a positive learner and believe you can', help us to show the very values that we hold dear. Together, these produce the best type of healthy fruit in our school, which are the pupils, staff, parents, governors, church and community. Each 'fruit' will have at its heart, a seed, which will go from the school and be 'planted' wherever they find themselves after leaving our school.
