

Westbury-on-Severn CE Primary School
Proposed spend of Sports Premium Funding 2020-2021

Allocated funds: £ 26,152

Item	Cost	Objective	Expected Impact
Continue to use Progressive Sports to deliver the baseline assessment for PE	£2340	Baseline assessment will identify the strengths and areas for development in individual pupils as well as cohort specific strengths and areas of development Provision can be bespoke to need as identified. This will be reviewed at the end of the year for analysis for 2020-2021	<ul style="list-style-type: none"> Pupils' individual PE needs will be provided for. Improved agility in PE sessions and developed skills in a range of sports. Improved stamina evidenced in ongoing assessments
Development of playing field	£9000	Our current playing field lease is up for renewal and one proposal is that the location site may change. This could involve a cost to the school to develop an existing field from grazing to recreational. In addition, we want to remark and develop the ground for quality-first teaching of PE.	<ul style="list-style-type: none"> A fit-for-purpose sports field that can be used to accommodate quality-first teaching of PE.
Progressive sports to continue to support the teaching of additional PE and clubs.	£3890	Ensuring that children are receiving the full 2 hours of PE each week, PS will work alongside teaching staff to lead the PE sessions and to develop our new PE subject leader in furthering her PE training. They will also lead sport-based after school clubs during the week. This should ensure children have a wide variety of sports based extra-curricular activities across the school.	<ul style="list-style-type: none"> Increased participation of pupils in PE after school. PE subject leader to be highly skilled. Sustainable provision beyond 2020.
Forest school training Level 1	£900 x 2 £1800	Three new members of staff trained as forest school leaders allowing for FS to be confidently and safely taught to a high standard across the school.	<ul style="list-style-type: none"> All pupils will have access to Forest School provision Love of outdoor learning improved Pupils' learning enhanced through practical outdoor activities linked to outdoor education, science and environmental studies.
Development of outdoor learning	£3000	To develop and renovate the outdoor Forest School learning environment so that there is greater active engagement with the environment, development of physical dexterity and gross motor skills in the Early Years.	<ul style="list-style-type: none"> Areas matched to EYFS areas will support the children in their development. Improved learning environment will support science and environmental studies. Improvements to pond are will support teaching and learning of Science curriculum.

			<ul style="list-style-type: none"> Improved resources and storage will support creative development, mental well-being and physical development through outdoor learning and play.
Update sports resources	£3000	To develop the resources for Physical Education so that pupils have access to good quality PE resources for their lessons	<ul style="list-style-type: none"> Pupils will have access to better PE provision through the use of up-to-date resources and equipment. Progress should be improved because of better resources to meet the required standards for PE and Physical fitness.
Engagement with Active RE	£240	Pupils to engage with Active RE programme, which aims to deliver RE content through physical education and active learning.	<ul style="list-style-type: none"> Pupils will have their knowledge of RE enhanced whilst engaged in different types of PE. Motivation for RE will be improved.
