Dear Westbury Family,

I trust and pray that everyone is safe and well.

What an eventful week it is turning out to be. We have had varying amounts of children still in school because the vital work that their key worker parents are doing. Thank you for all you are doing.

As I write, Mrs Roseblade-Bargh, Mrs Noad and Mrs McCartney, along with the children today, are taking part in an online art lesson! They are learning how to draw funny cartoon animals! The results are quite fun and I hope will be shared with you on the Instagram. You might like to have a go yourselves on this link: https://www.youtube.com/channel/UC0thYMtZj_O2jV6nS-RY7Fw

Thank you parents for all the amazing things you are doing. It is great to see the learning that is going on at home, but don't forget to also enjoy the time together. I have enjoyed seeing all the photos and videos of what the children are doing - great science experiments going on! I love the boat making and seeing them float - are these the new 'Boaty McBoatfaces' of the future?

You are all doing amazingly well. We can see who has really been trying hard with their maths and who is currently topping the leaderboard with minutes working! It was lovely to talk on the phone to one of our Y1 boys today, who is really enjoying it.

As we approach Easter, we would have taken part again in our 'Experience Easter' day at Westbury Church. As this cannot happen this year, I have put together our own version, which you might like to do at home over the next week and share with us. This will be an activity that you can do as a family each day Monday to Friday. I am attaching Monday's activity sheets with this newsletter and will send Tuesday's sheets out on Monday!

Above all, stay safe and blessed together as families. We all hope that the things that have been put in place will bring an end to our current situation, but we are still a Westbury family wherever we are and one body, when we remain connected - however that looks.

I am thinking and praying for you all. I intend to continue to phone you all over the next few weeks as I have time, just to check in with you, so it could be you...!

God bless,

David
