

Dear Parents and Carers,

You will have received a letter from Mr C regarding remote learning.

For the rest of this week we will be emailing and putting remote learning activities on Instagram. If you do not follow our page already, please follow @wos.class1, if it is not obvious who you are I'll message you.

From next week, week beginning Monday 11<sup>th</sup> January remote learning will be emailed and set through Google Classroom.

Your child's login will be:

Username: [firstname.surname@westburyceschool.co.uk](mailto:firstname.surname@westburyceschool.co.uk)

Eg [john.smith@westburyceschool.co.uk](mailto:john.smith@westburyceschool.co.uk)

Password: westbury1#

We are new to using Google Classroom, so please bear with us.

From next week we will have a zoom story session Monday – Thursday at 9.30am. There will also be an opportunity at the end of the story to ask any questions about the day's remote learning.

Y1's will have a zoom maths lesson Monday to Thursday at 10.30am.

Each week Google Classroom will have links for the zoom sessions, literacy activities, phonics sessions, maths activities and activities linked to our theme of people who help us.

Work should be uploaded to Google Classroom.

Google Classroom, Instagram messages and emails will be checked at lunchtime and at 3pm. Feedback via Google classrooms will be given on a Friday afternoon.

There are also some apps and websites that you might find useful if you don't already use.
