**Westbury-on-Severn  
CE Primary School**

Tuesday 22<sup>nd</sup> June 2021

Dear Parents/Carers,

As I'm sure you're more than aware, our school production this year is going to be a little different. The children and staff have been working hard, as normal, but this year we are unable to share the end result in quite the same way. During the first week of July the cast of 'Peter Pan' will be in the village hall and we will be recording the performances with costumes, lights, and everything but the audience; this will then be edited together and we will be producing a USB of the final production.

Each year the school production - as well as being a great end to the year together and the highlight of many children's' time in school - raises a wonderful amount of funds for the school through Friends of Westbury. Sadly, over the last two years, we've not been able to share the show with you in the traditional way, or have any of the other Friends fundraising activities.

We are selling this year's memory sticks for a minimum price of £15. With this bargain price in mind, we ask you to think about some of the other savings you may be making by watching the production at home. At the village hall, the average bar visit (1 small glass of wine, 1 pint of beer, and 2 soft drinks) is £9, and interval ice-creams would have been at least £4, the tickets alone would have cost roughly £15 for a family of four. If extended family members would normally come and watch, perhaps you could persuade them to also purchase a memory stick. Any additional donations you can make when purchasing memory sticks would be greatly appreciated and are a wonderful way to support our school and the hard work of the children.

If you could return the form to school along with payment for the USB and any kind donations, by Friday the 2<sup>nd</sup> of July that would be greatly appreciated.

With warmest wishes,

Mrs L. Roseblade-Bargh & Mrs C. McCartney
