

# WESTBURY WHISPERS

**Westbury-on-Severn  
CE Primary School**

**DEAR PARENTS/CARERS**

**30th January 2020**

I do hope that you are all well.

It has been another interesting week in the life of the school and once again the children have been doing some amazing things.

It has been super to be working with the children in Class 3 on Friday mornings as we tour the six churches in our benefice. Each week a group of children travel with Mrs McCartney and me to one of the churches to explore its history and religious significance. This learning is being put together to share locally as part of a big countywide project on places of worship; an initiative led by Gloucestershire committee on Religious Education. Our contribution will be a very important one, so I am really pleased with the work the children are doing.

I hope you all have a great rest of the week.  
Mr C.

TERM DATES

I would like to extend another big thank you to everyone who is still donating to the foodbank. Our box is getting full again, so we will soon be taking another trip to the distribution centre to hand over our donations. Thank you for your continued support for this and please know the difference you are making to the community.

## ILLNESS

There are a number of nasty bugs going around at the moment, so please make sure that the children come to school with warm coats and hats if needed. Also, if your child is sick, then we do ask that they are kept home for at least 24 hours after they have stopped being sick. If this sickness is accompanied with diarrhoea, then the child should be off school for at least 48 hours after this has stopped. Thank you for helping to stop illnesses from spreading.

## ***VALUES FOR LIFE***

If any child would like to come and show the learning they are doing at home from the Values for Life sheets, then please do encourage them to send in their work. We would be really pleased to see how you are using the sheets as you explore the values with us at home.
