

Literacy and Numeracy

We will be building on last term's skills with some focused work on our times table and how to use them effectively in maths. We will all be covering multiplication, division and efficient written addition and subtraction methods.

In Literacy, we'll be looking at the book 'Hidden Figures' and writing some formal and informal pieces inspired by these true events. We will study the poet Benjamin Zephaniah as well as writing our own adventure story inspired by Phileas Fogg and "Around the World in 80 days".

History and Geography

We will be looking at the lives of lots of different people from recent history who have inspired us, and changed the world.

We will be learning how to properly use maps and locate various places on maps, and atlases. We will be studying various geographical features of different places in the world and how this affects the lives of the people living there.

Horse Chestnut Class

2021

Around the world in 80 lives!

A whistle-stop tour of 80 lives of the world's most inspiring, influential and interesting people.

Science

In our Science we'll be exploring materials and we'll be investigating how best to stay cool, or keep warm.

RE

Our themes this term are: What is life like in Muslim Britain today? and Why do Christians call the day Jesus died 'Good Friday'?

PSHCE

We will be exploring the diverse meaning of the word "family", looking at rights and responsibilities, and also the 2021 census data.
