Dear Parents/Carers,

Having reflected on the time for the school production, we feel that it would be better to have a later start to the performance. This will give families a chance to all be together, especially if there is anyone who needs to get home from work.

Please see below the joining instructions for the School Production of 'The Wind In The Willows'. Please click on the link, or enter it into your web bar. If you have already downloaded Zoom, then you can sign in and enter the Meeting ID and Password when prompted.

I will start the Zoom Production Meeting at 6.15pm, to give people a chance to set up Zoom, get the popcorn and drinks ready and settle down! **The Production will then be activated at 6.30pm, following a short introduction.**

When the production is playing, I would ask that you please **MUTE AUDIO**. This will ensure that any background noise does not interfere with viewing.

The production is in two acts. We will have a short 10 minute 'comfort break' between acts.

This is certainly a first at our school and it probably goes without saying that anything could happen! We hope the evening will run smoothly, but I apologise in advance if anything unpredictable happens.

I want to say how proud I am of everyone, staff and children, for making this happen, especially under such difficult circumstances. I hope you enjoy watching this production. Have a wonderful evening.

With warmest wishes,

David Crunkhurn
Headteacher
